

Hoval Enventus Rotor heat exchanger Plate heat exchanger

Spare parts list

Sales conditions

Prices:	Gross prices in €
Discount recommendations:	The indicated prices are gross prices. Please get in contact to your Hoval Enventus application consultant concerning possible discounts.
Delivery time:	5 working days (exceptions possible)
Validity:	01.07.2019 – 31.03.2020
Additional conditions:	According to business conditions Hoval Enventus
Please note:	For a fast and right process, please communicate the serial number. You can find it on our label.
ID of the price list:	1907

Hoval Enventus

You can count on us.

As a specialist for energy recovery systems, Hoval Enventus is your experienced partner with decades of experience in the industry. Hoval Enventus develops and produces components for heat, cold and moisture recovery for today and tomorrow. The systems are used in ventilation systems and in process technology. You can be sure to save both energy and costs while protecting the environment.

Hoval Enventus is one of the leading international companies for energy recovery systems, which are exported worldwide.

We take our responsibility for the environment seriously. Energy efficiency is at the heart of what we develop.
